The following is an examiner's statement of reasons for allowance:

The claims in the instant application have not been rejected using prior art because no references, or reasonable combination thereof, could be found which disclose or suggest a drill bit having the flute sharp for cutting, extending from the first end to proximate the point at which the diameter of the cutting shank begins to get smaller to form the tip and the flute rounded from this point to the tip, as set forth in claims 1 and 12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Todd E. Manahan whose telephone number is (703) 308-2695.

A handwritten signature in black ink, appearing to read 'T. E. Manahan', with a long horizontal line extending to the right.
